

Thank you for your interest in our Toddler program. Since this is the first time in a school/shared environment for most children, we want to be sure that your little one is on track to be successful in the Toddler room. There are a few minimum requirements to be able to be successful in that class:

- ☐ First nap of the day occurring after lunch; the morning is all activities here at preschool
- ☐ Feed themselves
- ☐ Sit in a chair at a toddler size table
